V. New Business

A. General Review of Updated Working Document – The committee members went page by page through the Draft Document and made corrections and additions as needed. A few concerns were brought up concerning how our message is being interpreted regarding a new business coming to Town. Also there are a few members still struggling with the setbacks that have been chosen.

B. List of Topics to be researched in advance of next meeting – The sub-committee will meet Wednesday, 5<sup>th</sup> at 9:00 AM to make the corrections that the members agreed on and will have the new draft out to everyone by Thursday. Everyone should be looking this document over prior to the August 10<sup>th</sup> meeting, sending any comments or concerns to the sub-committee so the changes can be made. The document needs to be introduced at the August 19<sup>th</sup> Council Meeting. Then it will go to Maine Municipal Association (MMA) for legal review, once that is done it needs to go through the Public Hearing process.
