

TOWN OF FORT FAIRFIELD **Public Works Department**

FILL/WASTE PERMIT AND RELEASE FORM

Whereas, the Town of Fort Fairfield has "Fill/Waste Materials" from a project on the _____ Street/Road in the Township of Fort Fairfield, which it plans to dispose:

Whereas, _____ located at _____
_____, has requested that this Fill/Waste Materials be placed onto his property.

Now, therefore the Town of Fort Fairfield and the property owner agrees as follows:

1. The Town of Fort Fairfield Equipment, its Employees, Agents and Contractors are authorized by the property owner to enter upon the above-mentioned property and dispose fill/waste materials.
2. The Property Owner is to be responsible for the grading, leveling and establishing vegetation on the fill/waste materials. The Property Owner shall complete any arrangements for erosion control as needed, (silt fence, hay bales, seed/mulch, sod, rip rap, etc.) to prevent fine materials from being eroded away into drainage ditches or bodies of water.
3. The Property Owner, its assignees and successors release and discharge the Town of Fort Fairfield for all claims, demands or cause or action that may arise from the deposit and present of the fill/waste materials. The Property Owner agrees to indemnify and hold harmless the Town of Fort Fairfield from any such claims, demands and cause of actions.
4. Prior to providing any Waste Materials, the Town of Fort Fairfield shall be provided good access to the area (no overhead wires, septic systems, and **NO** bodies of water, streams, brooks, ponds, or wetlands within or near the fill area). Any damage to these systems as a result of not being located shall be repaired at the property owners expense.
