## Exemptions for Veterans and Widows/Widowers of Veterans

**A PROPERTY TAX EXEMPTION IS AVAILABLE** to veterans aged 62 or over, to veterans under 62 if they are certified by the Veteran's Administration Office to be totally disabled; or to the unmarried widow/widower or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the Federal Government as the widow/widower or minor child of a veteran.

## Equalization Program

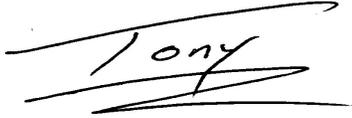

The State of Maine has mandated that all municipalities must achieve certain minimum assessing standards. Included in these assessing standards is a provision for a physical inspection and inventory of each real parcel and personal property account at least every 4 years.

Fort Fairfield has complied with the State law by enacting what is termed an "Equalization Program." Every year at least one-fourth of all property in the Town will be reviewed to note any physical changes that have occurred, and the valuation will be adjusted up or down accordingly.

The Town of Fort Fairfield completed a townwide revaluation for the assessment date of April 1, 1998. Pricing schedules created at that time are used in the pricing of land and buildings for assessment purposes. The pricing schedule was modified for the assessments starting on April 1, 2005 by indexing Residential Structures that were C Grade or better by 10%. The pricing schedule was also modified for the assessments starting on April 1, 2008 by indexing all land by 25% and all prime tillable was indexed an additional 25% starting on April 1, 2015.

If any taxpayer would like further information on the above described programs or would like to have any question answered, please feel free to contact the Assessor's Office at any time at 472-3805.

Respectfully submitted,
