

Updates: 2/19/2021

**Greetings from your Maine Potato Blossom Festival Director and
Committee:**

We are moving ahead with plans for our 73rd Maine Potato Blossom Festival, being scheduled for July 10-18th, 2021, in the host community of Fort Fairfield, Maine.

Having to cancel the Festival for 2020 was an extremely difficult decision to make but one we knew was the right one in order to ensure the safety of all those involved. But we are gearing up with our plans for 2021 with the hope we will have a much more positive year ahead.

Seeing that it takes months to plan over (80) events, we are in the planning stages now with those things that need to be booked early on so we can be well prepared. We will be doing monthly updates as to our progress in our planning, so please keep checking back to get the latest updates.

We hope by April we will have a much better idea if this virus is more under control with this new vaccine. It is our hope that by July many restrictions will be lifted so we can gather once again and enjoy the (9) days of fun we have planned for the 2021 Maine Potato Blossom Festival. We will be adding many new events, along with the many traditional ones as well again.

Please stay safe and well!
